

Have your say about our draft Cycling Strategy for Eastbourne

Cycling is an important sustainable travel option for residents, commuters and visitors in Eastbourne. We want to find out what you think about our draft Eastbourne Cycling Strategy which has been jointly developed by Eastbourne Borough Council and East Sussex County Council.

We would like to hear the views of as many people as possible, including local residents, businesses and anyone interested in cycling in East Sussex. Your views will help us to find out what people think about our vision to create a safer, more attractive and accessible cycling network in and around Eastbourne and for improving the availability of information and training for cyclists.

Please read the draft Eastbourne Cycling Strategy before you answer the questions. Copies can be downloaded from Eastbourne Borough Council's website. Alternatively, paper copies can be provided on request by contacting Andrew Keer, Principal Transport Policy Officer, East Sussex County Council (see below for contact details).

The survey should take about 10 minutes to complete.

Please return your completed survey by 22 December 2011 to:
